A STRIKING EFFECT

Katie Bockelman

The outside of Franklin Central is a well-kept building serenely dozing in the sun. However, inside, electricity sizzles in the air, producing a striking effect on each life that it touches.

The impact of this electricity has given us fun times with friends, an education to venture out into the world, and has taught us to set goals and to achieve them.

Every student's ambitions and every faculty member's dedication produces that electric energy within Franklin Central.

In every aspect of this school, there is a certain pride that reflects upon our lives as students and faculty.

Within this yearbook, we, the yearbook staff, would like to highlight the year 1988 in such a way that you will not see Franklin Central as anything less than striking.

Flowers for Algernon

The school play, FLOWERS FOR ALGERNON, had quite an impact on our drama department. The play, authored by David Rogers, was adapted from the novel by David Keyes. FLOWERS FOR ALGERNON was an excellent production. It is a very melodramatic play and good for the high school and college levels. Although many hours of preparation for five to eight weeks meant hard work, the results were well worth the effort. This was an excellent production for the drama department.

Main characters included Chuck Rankin as Charlie Gordon, Amy Eaton as Alice Kinnian and Paul Norris as Dr. Strauss.

"The cast should be very confident about their performance because the play had a striking effect on the audience," stated Amy Eaton.

FOOTBALL AT ITS BEST

This year's senior class had a striking effect on the annual powder puff game. The winning senior team also won last year as juniors. In the first quarter the sophomores were defeated by the seniors. The second quarter winners were the juniors, winning over the freshmen, and the winner of the sophomore and the freshman team face-off were the sophomores in the third quarter.

The coaches for the freshmen team were Ms. Kucykswski, Ms. Lynch, and Mr. Dail. Coaches for the sophomore team were Mr. Raters, Mr. Raters Sr., and Mr. Earl. The junior coaches were Mr. Hoffman and Mr. Hanni. The winning senior coaches were Ms. Richhart, Ms. Kelso, Mr. Hughes, and Mr. VanHooser. They all seemed to have fun coaching the teams. The players, as well as the coaches, learned much and cannot wait for next year's game.

During half time the Powder Puff King, Lance Long, was crowned. He also participated as a cheerleader in the game. Lance had a few words to say about being crowned 1987 Powder Puff King. "It felt pretty good. I was honored to be chosen as the Powder Puff King by my fellow students and peers. I would like to thank the Mothers Activity Club for the money that they gave to me. Most of all, I would like to thank Frankie and Joe and the guys." He seems to have had a really good time with the title of King.

Also, during half time the band played some popular songs like "Walk Like An Egyptian." All the band members had an option of dressing up in costumes. While the band was in full uniform and the girls were playing football, the boy cheerleaders were cheering on their teams.

In Our Dreams

Football Homecoming, held on October 10, 1987, will be remembered forever, especially our 21-0 victory over the Pike Red Devils. The theme of the dance was "In Our Dreams," from the song "In My Dreams" by REO Speedwagon. The dance was decorated with stars and clouds which encouraged a dreamy atmosphere. The colors were blue and silver. The court consisted of freshmen, Sheri Burchfield and Chad Helm; sophomores, Tracy Boak and Jason Gray; and juniors, Renee Haley and Kevin Hogston. Senior candidates were Dawn Jenkins and Jeremy Miller, Jennifer Crouter and Marcus McChristian, Stacey Renie and Jorgen Jonsson. Dawn was crowned Queen by last year's queen, Donna Starks, Friday night during halftime. Jeremy Miller was crowned King Saturday night at the dance. Other activities were Spirit Week during which Monday was Sweats Day, Tuesday was Vacation T-shirt Day, and Wednesday was traditional colors, with freshmen wearing green; sophomores, red; juniors, yellow; and seniors, black, for mourning the Red Devils. Thursday was Dressy Dress day and Friday was Blue and White Day. The annual Powder Puff game was held Wednesday of homecoming week with the seniors taking the victory over the juniors in an excitement-packed game.

A Concert for Christmas

The Christmas Concert took place on December 15 in the auditorium. The stage was decked in the finest of Christmas trimmings. All of the choirs and bands were present, including the F.C. Singers and the Jazz Band. All groups that performed brought Christmas spirit and cheer to the audience. "It went well and there was a lot of talent involved," stated Tricia Boyer, a volunteer stage hand. There was also a special surprise, Santa Claus and Mrs. Claus, who arrived in their sleigh. They visited during the concert, bringing candy canes to the audience.

A Terrifying Experience

"The Haunted" was a terrifying experience. The theme of "The Haunted" was nightmares based on popular horror movies. One hundred people participated as volunteers in the event. "This was the best group I've ever worked with; their excitement and enthusiasm, as well as our demented creativity is, I feel, the reason the Haunted was such a success this year," stated Mike West.

Our "Haunted" is unique because each room in "The Haunted" becomes its creator's own work of art. "It was all based on movies; the music wasn't very loud; people just laughed in our faces," stated Kristi Benson. "It wasn't that scary!" said Gwynne Clemons. "The Haunted's" effect on F.C. students was striking!

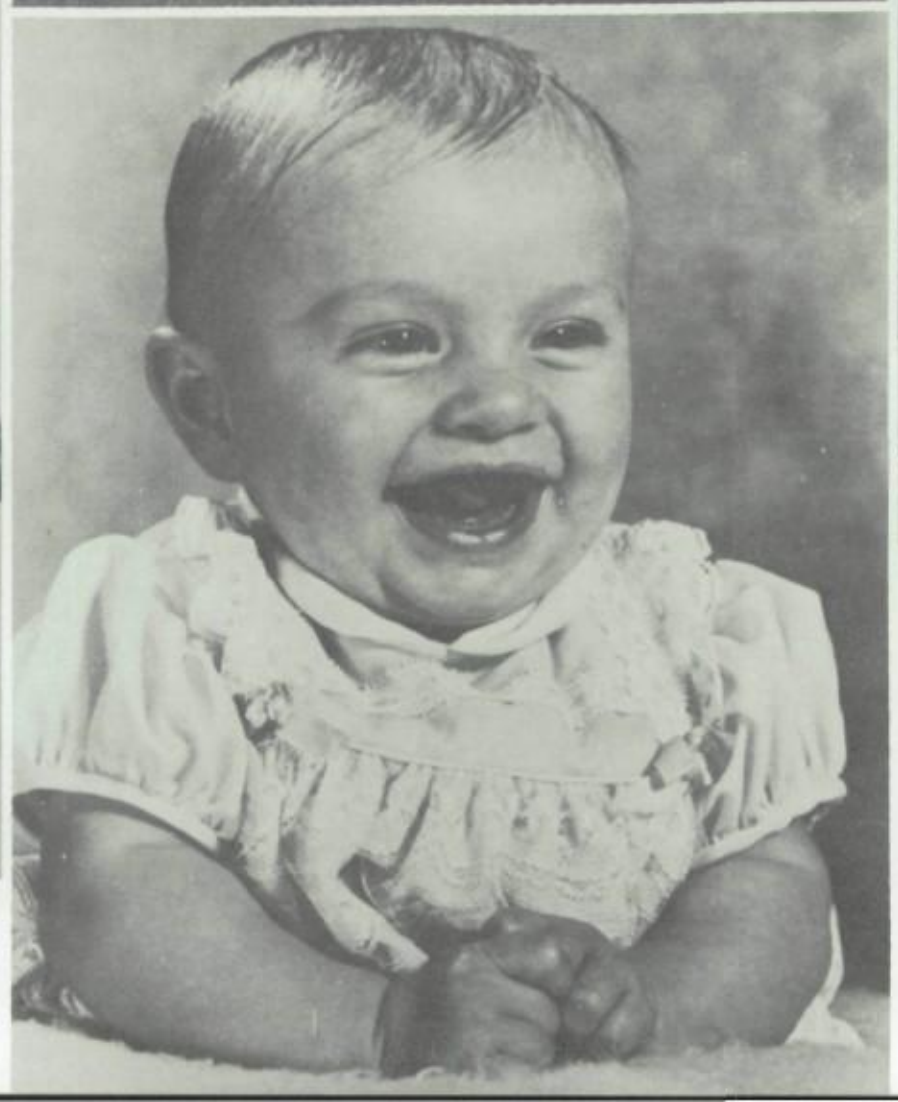
Gwynne Clemons



Kelly Adkins, sophomore, died Thursday, March 24, 1988. Kelly participated in a number of activities outside of school. She took modeling classes at Barbazon Modeling School and bowled on a youth league.

Melissa Cummins said, "Kelly was always happy. She was a fighter."

"I remember Kelly as being a chubby, happy kid back in second grade. It was real hard to watch her get sick after I had seen her so happy," said Amy Durocher.

Kelly will be missed by all of us here at FC. "We will always remember her as a happy person who cared about all of us, even when we were down," said Niko Hanna.

Kelly is survived by her parents, Steven and Linda Holman Adkins; and her sisters, Chasidy and Kristy Adkins.

VALENTINES FOREVER

On February 5th, 1988, the Franklin Central boys basketball team hosted the Lawrence Central Bears and defeated them sixty-one to fifty-six. The Arlington Air Bears performed at half-time, which everyone enjoyed. That was only the start of a great evening.

The next event of the evening was the Sweetheart Dance in honor of Valentines Day. This was sponsored by the junior class and was a big success. Many people went stag, hoping to meet friends there, but also many people went as couples. The DJ was Ron Sexton from WRFT who played a variety of hit music. The cafeteria was decorated perfectly with red hearts and balloons.

Oliver

The drama department presented the musical "Oliver" by Lionel Barts. The leading role, Oliver, was played by Pat Glass. Oliver is a new resident of a workhouse for children. Because he was a discipline problem, he was sold to Mr. and Mrs. Sowerberry (Doug McCollom and Angela Beard) to work at a funeral parlor. He fought with one of the employees at the parlor and ran away. He ran into Dodger (Joel Pritsch) and became a pickpocket for Fagin (Steve Spiker). Oliver was then kidnapped by Nancy and Bill Sikes (Cynthia Grubb and Mason Cooper) and was returned to his grandfather after Nancy Sikes was stabbed and Bill Sikes was shot.

"I really loved being a part of my last musical. I made it the best I have ever been in because I know that's what I would like to do, in the future," commented Brian Smith. When Pat Glass was asked how he felt about having the leading role in Oliver, he commented, "I was really excited about it, being as it was my first lead."

Always

Prom was held at the lavishly decorated Indiana Roof Ballroom. The evening started with a candlelit buffet for dinner, followed by carriage rides around the downtown area, and included dancing with music provided by "Lightouch."

Greg Fulk and Cindy Grubb were crowned Prom King and Queen by the 1987 Prom King and Queen, Rob McCann and Julie Stillabower.

Steve Spiker accompanied the lead singer of the band, singing "Always," adding a personal touch to the performance. It was truly an evening that will "always" be remembered by those who attended.

Flashy 500

On Friday, May 13th, the after prom was held at Franklin Central for the seniors and juniors and their dates from 12 p.m. to 3 a.m. The theme for the evening was the "Flashy 500." Activities for the evening included putt-putt, a ring toss, dancing, and door prizes awarded at the end of the evening; but the highlight of the evening was the little "500." The race included teams, who were trying for the fastest speed, while racing around the commons on tricycles.

The whole, fun-filled evening was sponsored by the Mother's Activity Club (MAC). They did an excellent job with decorating, done in black and white checkers, like the flag, and black and white balloons, and with showing the students a good time.

Turnabout

On April 23rd, the usual dating arrangement changed. This time the girls asked the guys out. This takes a lot of pressure off the guys to find money to take out their favorite girl. It is difficult for the girl, though, because she has to dig deep for courage that is seldom used.

The turnabout theme was "I Saw Him Standing There." The dance was sponsored by the Student Council and was held in the school cafeteria. Many couples went and Gary Lock said, "I thought it was nice to be asked out by a girl; that way I didn't have to pay for anything."

Blue and White Revue

Blue and White Revue was emceed by seniors Susie Harrell and Doug McCollum.

There were many interesting talents and acts. The Blue and White players performed such acts as Rooten Tooten High Fluten Wild West Show, The Price Is Right and Star Trek. The first place winners were The band, "Dressed to Kill," for the novelty category; Steve Spiker and Julie Bolinger for duet; and Julie Bolinger for solo. Julie sang "Ain't No Grave." Mark Sheldahl took second for solo. He sang "She's Like the Wind;" and Jenny Gilkerson took third for solo, singing "Momma He's Crazy." Kellie O'Neill and Stacey Joyce won for dance. The overall champion was sophomore Julie Bolinger. When asked how she felt about winning, her comment was, "I was very happy and couldn't believe it. God answered my prayers." The F.C. Singers started off the program. Another special performance were the Giyer twins and Angie Giyer who sang "Love in any Language."

CLUBS

Katie Bockelman

TEACHERS AND LEADERS

The Future Teachers of America is a club that allows members to discover and strengthen their interest in the field of education. The members do this by shadowing, or following and working with teachers while they teach. This year the club had a fund raiser, selling Love Grams during the week of Valentine's Day. There are approximately 15-20 members participating in the club. A usual FTA meeting would consist of members telling about their shadowing experiences.

The Student Council at FC exists to lead the student body in a variety of fun, school-spirited, wide-ranging events. There are 30 members, but Mr. Raters hopes that the whole school is involved through their work. Members are elected by the student body.

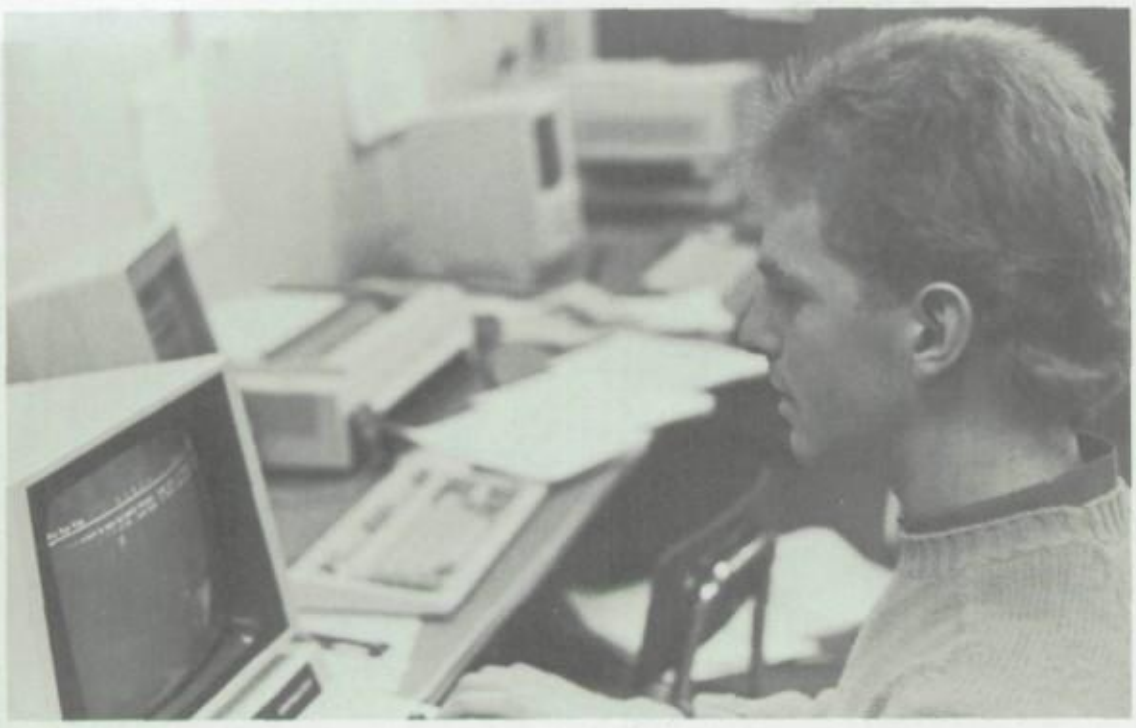
THE KEY TO THE FUTURE



The computer club is a club for students interested in learning more about computers. The club consisted of about 25 students. The purpose of the club is to share information, write programs, and meet with students that have an interest in computers. Some projects of the club were to make stationery, signs, and posters for students and teachers.

The Key Club is an organization providing volunteer service to the community, school and other organizations. It does volunteer work for those who need volunteer help. This group has helped decorate for many activities, sent Secret Valentines to teachers, sold Eastergrams, assisted Mr. Hardy in decorating the school lobby for After Prom, and assisted Student Council with Teacher Recognition Week.

SUNSHINE SOCIETY SPREADS CHEER

Seventy-two girls chose to be members of FC's Sunshine Society. The purpose of this club is to spread sunshine and good cheer. The club's flower is a yellow rose; its colors are yellow and white; a rising sun is its emblem; and "others" is its motto. The club had an Ideal Lady Banquet and sponsored the Morp dance and Teacher Appreciation Week. At the meeting the officers discuss old and new business with the members. The officers are as follows: Adina Carr, president; Amy Chapman, vice-president; Melissa Peterson, recording secretary; Stephanie McDermott, treasurer; and Stacy Dunlap, corresponding secretary. There also is an executive committee consisting of Melissa Middleton, Pam McLemore, Joy Jewell and Nanette Hearl.

CHECKING THE PERFORMANCE

In the auditorium, the drama club meets once a month. The drama club has 160 members. The department has hosted "The Haunted," "Flowers for Algernon," the Christmas Concert, the musical "Oliver!", the Blue and White Review, and the spring concert. The students learn about the techniques of the performing arts.

Across the way, another club meets in the cafeteria. The chess club meets once or twice a month. This club teaches the students how to play the game of chess. After the students have learned how to play, each student participates in the club's "playoff."

FC'S ATHLETIC STARS

Approximately 100 members are involved in Franklin Central's Boys' Lettermen Club. The purpose of this club is to provide funds for the awards which are given to the athletes of the various sports. At the club's meetings, the officers, along with the club sponsor, Mr. Cougill, solicit workers for program selling and the concession stand workers. The officers are president, Brad Cougill; vice-president, Todd Spangler; and secretary-treasurer, Pat Soller.

Seventy-one girls are eligible for membership in the Girls' Varsity Club. To be eligible, a student has to have already earned a varsity letter. The purpose of this club is to raise funds to pay for athletic awards, such as letters, jackets, sweaters, pictures, plaques, certificates and certificate folders. The officers are president, Nicole Beckman; vice-president, Rachel Fallon; and secretary-treasurer, Kim Tungate.

SPEECH AND FELLOWSHIP

One hundred thirty-five students are involved in Franklin Central's FCA, Fellowship of Christian Athletes. These students gather during homeroom to listen to and give testimonies and lessons, to watch film clips from pro athletes, and to share Christ with their fellow student athletes. Activities which club members have been involved in are the jog-a-thon, secret santas, skating, caroling and a pizza party. Members also have an opportunity to meet in the cafeteria before school for a daily prayer meeting.

Approximately 12 students are involved in Franklin Central's Speech Club. The students compete in meets with other schools. At their meets, the members compete in 13 different entries from current events to drama. Speeches prepared before the meet, 30 minutes before, and 30 seconds before are also part of the competition.

CHEERING FOR SPIRIT

The cheerleaders help spread spirit throughout the fans in the stands. They are at every boy's football and boy's basketball game. In competition at the Johnson County Fair, the varsity placed third and the reserve also placed third. The captains this year are Michelle Hughes, varsity; Rachel Mitchell, reserve; and Jennifer Carter, freshman. Ms. Kelso commented, "The addition of boys to the varsity squad during basketball season has been a big plus the last few years. We hope to continue the tradition in future years." There are approximately 24 students participating in cheerleading.

MATMAIDS

There are two groups that support the varsity, reserve, and freshmen wrestling teams. These two groups are the varsity and freshmen matmaids. These groups decorate wrestlers lockers, cheer at wrestling meets, and give moral support and enthusiasm to the teams all year long.

The matmaids achieved their positions by taking a written test and are then voted on by the captains of the varsity, reserve, and freshmen wrestling teams. This year the freshmen matmaids are new to the cheering group.

Co-captains of the varsity matmaids are Andrea Rooze and Tricia Richardson. There are seven senior matmaids that are leaving this year. They are Andrea Rooze, Tricia Richardson, Jennifer Holmes, Deanna Nguyen, Stacey Renie, Jill Boyle, and Vanessa Grider.

STUDENTS HELPING STUDENTS

In the library many people have various jobs. They help with book dues, filing books, and other important jobs. Ms. Linda Hayward, the librarian, runs the library with two advisors, Ms. Denise Snyder and Mr. Jim Gilbert. Student helpers also have a new computer which makes it easier and faster for other students to check out books.

Another club that works out of the library is the Video Production Crew. These people record scenes around the school and events that happen. The production club makes the video yearbook, which consists of clips from sports, classroom scenes, plays, club meetings, and candid shots at lunch, in the halls, and elsewhere.

In the office each hour, students help by picking up attendance, answering the telephone, and running errands for the administrators. The help from these students in these offices allow administrators to attend meetings and run important errands pertaining to the school.

The last group to recognize is the bookstore assistants. These students help Ms. Linda Prisco with running the bookstore, dealing with locker problems, etc.

RESEARCHING HEALTH

The purpose of the Health Career Club is to give students an opportunity to explore careers in the health field and to gather information regarding schooling and job opportunities. Approximately twenty students are involved in Health Careers. At the meetings, members plan club activities and speakers come to talk to members about careers in health. April 7, from 8 am to 12 noon, students donated blood in a blood drive sponsored by Health Careers. The club also took a field trip to the IU Med Center, visited the Ronald McDonald house and donated food for their guests, and developed career shadowing opportunities.

A DIFFERENT WORLD

The Modern Language Club consists of current or past students from Spanish, French, and German classes. These students meet and talk about their languages, as well as participate in activities enjoyed by different cultures. Some of these activities are participating in the Foreign Language Olympics, cosponsoring the Winter Wonderland Dance, having the Modern Language Club Banquet and attending different foreign foods restaurants. The club officers are Sandy Waynick, President; Tracy Lindberg, Vice-President; Amy Crouter, Treasurer; and Melissa Peterson, Secretary.

NATIONAL HONOR SOCIETY

May 5, 1988, Franklin Central High School held its annual National Honor Society induction. Fifty-nine two-year members received their second year cards. Eleven new seniors and thirty-four new juniors received their one-year membership cards and their pins.

Officers, Cathy Hawthorne, president; Pat Soller, vice-president; Katie Bockelman, secretary; and Scott Kincaid, treasurer, gave speeches on leadership, scholarship, character, and service.

Earlier in the year, the club had its first annual senior parents' day where seniors could invite their parents to come to Franklin Central for lunch and a guided tour of the school.

THE BRAINS AND THE YOUNG REP'S

Last year the Young Republicans Club was formed. About twenty-four students are in this club. This year the group has been visited by the County Organizer for T.A.C. and had a chance to meet and speak with a City-County Councilor. The students also had a chance to work at the polls in the November election.

Brain Game is an academic competition sponsored by Channel 13. All students are invited to tryouts. They are given a written test and an oral examination. Questions are asked on art, music, history, spelling, and geography. Team members practice at school along with studying on their own.

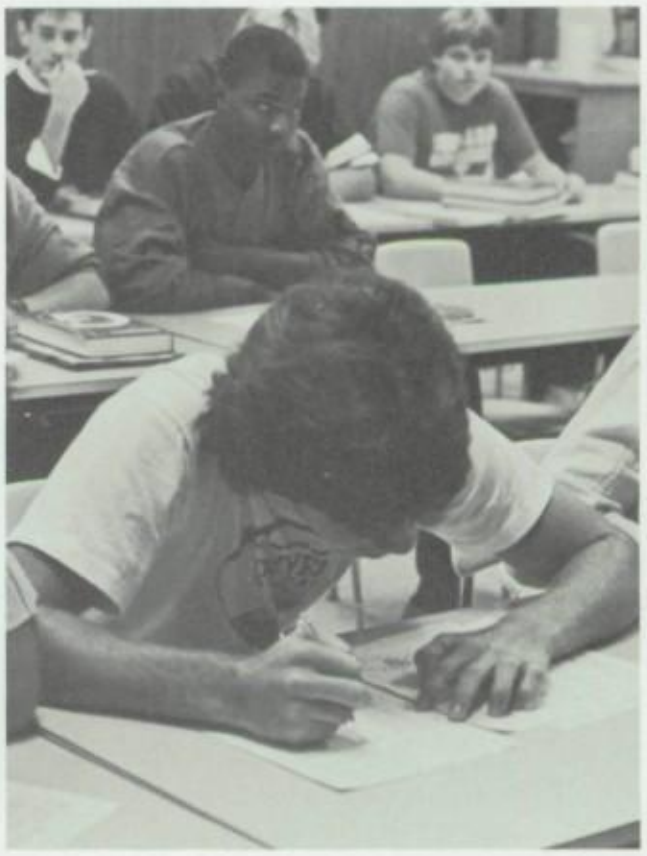
PILOTS AND SCIENTISTS



The thirty members of the Aero Club all have one thing in common — their interest in becoming pilots. They fulfill this interest through the club by studying aircraft instructional books and by going on a trip to the airport.

The Science Olympiad Club is a team consisting of eleven members. The club prepares for the state Science Olympiad competition, which is held in the spring. The club stays after school on Thursdays to practice for the event.

This year there are sixteen members in the Biology Club. These students are all trying to fulfill their interest in the life sciences and gain information on the science professions they are interested in.

Leading the Nation

Model United Nations is a club that helps the students understand how the nations of the world today deal with problems of the world. The club has 74 members in it.

The meetings in October, November, and December dealt with the research the members do for their country. At the end of January the club had a Pre-Model UN session. In March, UN came together as countries to discuss and debate the problems of their country and geographical area. March 7 and 9 meetings were in the evening, discussing the topics of their resolutions. Thursday, March 10, the resolutions from each committee and bloc were brought up to the General Assembly.

A SADD STORY TO TELL

SADD is a club that promotes awareness of drunk driving problems. There are approximately 280 members in this club. At the meetings, the members enjoy guest speakers, films and other awareness activities. The club was involved in sending SADD Christmas cards, providing a guest speaker for the entire school and sponsoring the SADD Fun Night. Mrs. Miniear adds that she was very pleased with the advisory board: Kim Wiese, Gwynne Clemons, LeAnne Clemons, Perry Perdue and Jennifer Krimmel. The advisory board helps to arrange the various activities and to organize meetings.

Leaders and competitors

Eight FC students are involved in Franklin Township's 4-H Junior Leader program. To be a 4-H Junior Leader, the student must be a 4-H member and between the ages of fourteen and eighteen. They help the adult and supervising leaders with club meetings and different activities. Members from FC are Donna Bodenrider, Missy and Shelly Doyle, Billi Asher, Angela and Jennifer Cook, Jenni Ban and Anna Chaney.

The purpose of the Academic Competition Club is to show all students academic competition is just as fun as sports. At meetings, the group researches material for competitive tests and quiz each other over information. There are three different teams involved in Academic Competition. They are the spell bowl, decathlon, and super bowl.

Singing In A Chord

There are four different groups in the choral department. They are F.C. Singers, Madrigal Singers, Varsity Choir, and Freshman Choir. Each group performs with and without the other groups.

Each group performed at different places. The F.C. Singers and the Madrigal Singers performed at hospitals and nursing homes. The Varsity Choir sang at state contest and earned first place; the Freshman Choir sang at F.T.M.S. Each group sang at school functions and Washington Square Mall. We've Got the Beat

The Marching Band consists of many students that are hardworking and very dedicated musicians. Each member is very talented and has put many hours in making the band what it is today.

The band is under the direction of Mr. Raymond G. Hauser with *Joe Schnepp as Drum Major and Adina Carr as assistant Drum* Major. The band works very hard in its performances and is supported by its fans and auxiliary groups, a part of its success.

The F.C. band placed ninth in the State Fair Competition and first in the Farmers Day Parade as well as obtaining many other deserving achievements. Our band has traveled to many places to perform in parades, contests and other activities that many people come to watch. Towards the middle of the year, a banquet is held for all of the band and auxiliary members to praise and award them for their excellent work they have done throughout the seasons. All of the students here at school appreciate the band's efforts and its wonderful performances it has put on for the many school activities.

A TWIRLING EFFECT

Wow! It has been an exciting year with the Flag Corps. The Captain, Melissa Nagle, has been an effective, dedicated leader. Stacy Schuette, Lieutenant, has been a great help in making up routines. They both help keep the Flag Corps in line.

The Flag Corps helped in winning a ninth place finish at the State Fair. Among other things, they have had many fund raisers, parades, and dinners to attend. M. Nagle said, "I am very proud of this year's Flag Corps. The girls work hard in every routine and performance. My routines aren't easy! And the girls look great!"

Dance Connection

The dancing Flashettes have 3 members, 18 of whom are new members. The Flashettes have had good attitudes and talent, according to Nancy Marshall, who is the choreographer of the Flashettes.

Nancy had many nice things to say about this year's officers. K. O'Neill, and J. Gilkerson are outstanding Captains. Their ability to teach and to know what she wants without asking is remarkable. L. Osborne, Lieutenant, is a big help to Nancy and the Corps. Tonya Borisenko, Sergeant, is a pleasure to work with and very friendly toward others. Tonya's enthusiasm and personality reflect positively on her and the Corps.

Jazzing Things Up

Besides directing the marching band, Mr. Hauser also has put together a small group of musicians called the jazz band. These students are very dedicated to their musical talent and performing it for others. They devote much of their time and effort in doing their best. They perform at various places, for instance, special homes for handicapped people, pep sessions, banquets, along with other numerous events. These students are an elite group which does an exceptional job during the year.

Finding the Right

The math classes at F.C. are offered for a variety of reasons. Some people take math because it is required. Others take it to better themselves. And still yet others take math classes because they enjoy it. Math classes here at F.C. range from basic math to calculus. To make math more enjoyable, teachers sometimes have math games or realistic story problems. In conclusion, "Math can be fun if you find the right number!" says Lisa Perry.

Homemakers

The home economic classes are offered to help students learn how to fulfill basic needs for themselves. The classes offered range from cooking and sewing to child development. In each of these classes students learn from hands on experience. Home economics is good for all students because the classes teach them the basics about sewing, cooking and living in the real world.

C-9 and Co-op

Co-op and C-9 prepare students for the real world by offering them an opportunity to gain first-hand experience and training in a chosen course. Upon the completion of these programs, it is hoped that students will be able to find good jobs with confidence, experience, and ease. Some of the courses offered by these programs are building trades, commercial foods, accounting, landscaping and cabinet making.

Artistic Achievements

There are four levels of art offered at Franklin Central. If a student takes all four levels, activities would include still-life drawing, perspective drawing, pen & ink, tempera painting, acrylic painting, oil painting, water color painting, ceramics, design work, commercial art work, airbrush, and linoleum block printing.

Students are entered in two major contests: Scholastic Art Awards and the 500 Festival of the Arts. There is an annual art exhibit held in May each year which displays the "best" of the art classes. There are also student demonstrations during the exhibit which allow an individual to actually see art being created. Various demonstrations usually include drawing, pen & ink, oil and acrylic painting, and ceramics.

Art at FC is steadily building a reputation for excellence.

The 500 Festival of the Arts was held at the Children's Museum. All displays were exhibited from April 12th through May 8th. The art students who won first place awards were Jennifer Smith, David Hayward, Tracey Faust, Jason Montgomery, Mike Babington, Masako Masukawa, Greg Huffman and O'Brian Childs. Second place awards went to Andy Stoehr, Darin Strauser, Joe Bandy, Steve Nikkila and Scott Barnes. Third place awards went to Mike West, Julie Stephens and Paige Easley. Out of Marion County, Franklin Central had 22 entries winning a total of 16 awards.

Social Studies

Knowledge of our country's history and government helps us to comprehend our world today. Students are required to take U.S. History as juniors, and U.S. Government as seniors.

Science

The science department has the largest variety of courses offered to students. Classes taught are Biology, Chemistry, Zoology, Botany, Physics, Anatomy, and Physiology. Chemistry gives students an understanding of chemicals, acids, laws of science, etc . . . Anatomy and Physiology, the last addition to the science department, teach students about the structures and functions of the human body.

Taking Your Health Seriously

Health classes have been discussing various topics on alcohol, drugs, fitness and sex education. Each sophomore student is required to take this course for half of the year and physical education for the other half. Even though the students are required to take this class, students should be interested in it for themselves and for their lives as they learn the many factors involved in having healthy bodies and minds. This course helps students live their lives fully and helps them understand more about themselves. Health is something no one should take for granted.

Let's Get Physical

The 1987-1988 gym classes have been doing many enjoyable activities, such as square dancing (which is new) basketball, soccer, aerobics, badminton, and volleyball.

Ninth and tenth graders are required to take swimming because the teachers feel that it will help them to learn to save themselves in water if they get into trouble. Swimming class also helps perfect their skills.

Students enjoy P.E. class to exercise and to better their fitness. The most important thing students like is exercising. It improves their appearance and weight control and builds muscles.

Business

The business department offers a wide variety of courses to students interested in a line of secretarial work or other business areas. Typing helps students learn the keyboard and develop the ability to operate the typewriter. Shorthand and business machines prepare students for placement in stenography and provide training on various machines. Salesmanship and consumer economics teaches retail selling and economics.

English

The English department offers a combination of literature, grammar, speech, and drama. Students read selections from not only classics, but also contemporary writers. An English class for college-bound seniors helps ensure the survival of students in advanced academic study. Drama, an introduction to acting, includes a study of dramatic literature and stage movement.

Foreign Language

Learning a second language can be very difficult while at the same time interesting. As well as learning to speak the language of their choice, students can also learn about the culture and history of the people who speak it. Learning to speak a foreign language is only part of the activities of the Spanish, German, and French classes. The most exciting project offered to students is the opportunity to visit a foreign country.

VARSITY FOOTBALL

FLASHES WIN SECTIONALS

The varsity football team had an excellent season, ending it with a record of eleven wins and only one loss, to Lafayette Harrison. The latter, along with Roncalli, Southport, Lawrence North, Lawrence Central and Center Grove were the toughest competition faced by our varsity Flashes. Coach Stephens commented that the team had a tough time rebuilding a defense and an offensive line during the season. Proving they could overcome this obstacle, the varsity team won the sectional championship game against Decatur Central. The team was happy they had beaten Roncalli, had an undefeated regular season and had won the sectionals.

THE RESERVE IS READY

The reserve football team ended the season with a 4-2 record, along with one tied outcome. Among the Flashes victories were Greenfield, Lawrence North, Pike, and finally Decatur Central. The team proved to be one of the best reserve teams ever, according to Coach Marks. One of the toughest problems faced by the players was a lack of confidence in the early part of the season. This was overcome with each victory by the Flashes. The reserve players' season was highlighted by their weekly improvement, which promoted confidence and enthusiasm. Several individuals created a strong effect during the season, such as Brett DeGarmo, Copatrick Dartis, Eric Kelly, and Tim Jacobs. All in all, the reserve football team had a great season this year, with thanks to the reserve cheerleaders and all the Flashes' fans that showed their encouragement.

A PROMISING FUTURE

The freshman football team completed an excellent 7-1 season. The team's only loss was to Decatur (the Flashes' first loss since they originated as a team in 1985). The Flashes averaged 22 points per game. The offense was led by Rory Norris, Jeff Earle, LaRon Moore, and David Cupello. The Flashes held their opponents to six points a game. They had three shutouts with one being against Southport (20-0), another against Lawrence North (16-0), and the third against Center Grove (28-0). The defense was led by Jeff Hargrave, Antjuan Yates, Josh Straber, Mark Matthews, and Mike Goddard.

Coach Casselman and Coach Torgersen were pleased with the success of this year's team. "With continued improvement, hard work in the weight room, and unselfish dedication to excellence, the future will continue to be bright for the Franklin Central football program," commented the coaching staff. The young Flashes proved to be headed for greatness.

WORK TO SUCCEED

Franklin Central's girls' volleyball team completed its season with the record of five wins and nineteen losses. The toughest competition was Roncalli. The greatest obstacle which they had to overcome was continuing to work hard and be positive even though they weren't winning. Coach Alice Underwood commented that winning two matches on the same day against Howe and Manual and being the sectional runner-up were highlights of the season. The most valuable player for the season was Robin Broderick. Masako Masukawa won the mental attitude award.

The reserve team finished its season with seven wins and six losses. Highlights of its season were having a winning record and improvement in many players. Learning to play together as a team was an obstacle the team had to overcome. "All players have to work together or you can't succeed," Coach Stricker said.

The freshman team had a strong desire to learn to play power volleyball the right way and to improve throughout the season. They finished with five wins and eight losses. Coach Miniear said, "The greatest obstacle the team had to overcome was to believe in themselves and teammates and to believe in their own abilities." The highlight of the season was their victory over Greenfield Central.

ON THE RUN

The boys' cross country team struck Franklin Central's history book by completing the season undefeated with the record of twelve wins and zero losses. In addition to a perfect season, the team was the FC Invitational winners, Central Suburban Athletic Conference champions, and semi-state qualifier. Jonathan Denny became the first FC sectional champ. An obstacle the team had to overcome was staying well and injury free. Their toughest competition throughout the season was Southport. Coach Dave Bannon commented, "The boys did a super job in training hard and worked well as a team."

The girls' cross country team completed its season with nine wins and six losses. The team's captain was Monica Wilde, the only senior on the team. Jenny Schemenaur led the team in first place finishes. Top five finishers for FC in sectionals were Jenny Schemenaur, 14; Kelly Atwell, 31; Theresa Maloney, 33; Reena Wright, 51 and Monica Wilde, 62.

FC SWIMS TO VICTORY

For the first time in Franklin Central's history, the boy's swim team was sectional champions. Two swimmers also made it to state competition. Eric Verduin qualified for state in the 200 and 500 meter freestyle. Rob McCann qualified for state in diving. The team was also Beech Grove Invitational champions, placed fifth in county and third in the Central Suburban Athletic Conference.

The team finished its season with a record of eleven wins and four losses. Coach Bart Braden said that Center Grove was their toughest competition. The greatest obstacle which had to be overcome was that the team needed to get into their heads that they had a shot at winning sectionals. "All the swimmers contributed to our successful season. Everyone knew his role, and worked to improve to the best of his ability."

About three months out of the year, a small group of girls work and prepare for their meets. The 1987 swimming team ended their season with four wins and twelve losses. The strongest athletes of the team were Nanette Hearl, Rachel Fallon, Stacey Dunlap, and Amy Logan.

"The highlights of this year's season were wins against Roncalli, Speedway, Indian Creek and Brebeuf," said Coach Kay Gibson about the team. As the team's season came to a close, the team had high hopes for sectionals. Starting out the sectionals, the individual medley relay team placed sixth. The team is Nanette Hearl, Stacey Dunlap, Rachel Fallon, and Julie Stillabower.

Ending this year's sectionals, the 400 freestyle medley composed of Amy Logan, Julie Stillabower, Denise Harrison, and Rosemary Small placed eighth.

TENNIS

A GREAT SET OF GUYS

The FC tennis team struck the competition this year, leaving the effect of a 15-5 varsity final record, and a 10-3 reserve. This was a great task considering the players had to adjust to two new coaches, Mr. Mark James and Mr. Mike Raters. The toughest competition the varsity team faced was Southport, Lawrence North and Center Grove. The reserve's challenges came from Center Grove, Southport, Warren and Pike. On a brighter side, the highlights of this season were winning the Twin Lakes Invitational and making it to the sectional finals for varsity. Beating Center Grove and each player improving made the reserve team's eyes shine. Some of the strongest players on the team were John Jackson, Kyle Jackson, Joe Totten and Andy Krauth. All the juniors on the reserve team showed great leadership and were all fine players. Coach James felt it was an enjoyable year and that the team was full of good kids.

VARSITY BASKETBALL

The James Gang, the varsity basketball team, ended its season with a 9-15 record, which is commendable considering the tough competition faced by the team. Coach James admitted that rebounding created a problem for the team because of the players' small size. The varsity Flashes were happy with the season after making it to the semi-finals of the county and sectional tournaments. James added that everyone on the team showed good improvement over the course of the year, with Deon Ferguson and Todd Colip contributing very much their senior years. All in all, the varsity basketball team had a good season.

THE READY RESERVES

RESERVE BASKETBALL

The boys reserve basketball team ended its season with a record of eleven wins and eight losses. The team had a hard time against Pike, their toughest competition. The players had to overcome the obstacle of having inexperience at the guard position. Mr. Rockey commented that the highlight of the season was having a 7-3 record in away games. The top five players of the year were Kevin Johnson, Greg Bonar, J. D. Koeller, Eddie Heath and Copatric Dartis. Doug Rushton, Brent Walter, Mark VanHooser and Ivan England shared time at the guard position, while Ray Craft helped out.

A "FRESH" START . . .

Starting out a new year is tough. The freshmen boy's A and B basketball teams finished their seasons with A team having ten wins and six losses and the B team with ten wins and nine losses. The greatest obstacle for the team was to play without LeRon Moore. In the county tournament, the team came in second after losing a second time to Decatur Central. After two losses to Lawrence Central, FC beat them in the County Tourney.

The strongest players on the team are Scott Joyce, Bill Thomas, Joe Arnold, Jeff Earle, Jeff Martin, Kevin Massa, Ben Southwood, and Paul Wheeler.

LADY FLASHES

For the first time in Franklin Central's history, the Lady Flashes made it to the semi-state as they defeated the Howe Hornets in the sectionals and advanced to the Sweet 16. In the end, the girls were defeated by Noblesville, 51-56, in the second round of semi-state play. Coach Marvin Knoop commented, "The girls' attitudes and efforts have made this another 'fun' year to be the coach of the Lady Flashes!" The varsity team completed its season with a final record of 19 wins and five losses.

"The girls worked very hard throughout the season. They enjoy the game and made many individual sacrifices for the sake of their team. With their continued work ethics and dedication, their success should continue," said reserve coach, Kathy Stricker. She felt the major accomplishments for her team were beating Roncalli, Southport, and Lawrence Central. The reserve team ended its season with a record of 14-2.

Freshman coach, Dawn Privette, felt that the toughest competition for her team was North Central, whom they played in the county tournament. The team finished its season with seven wins and seven losses.

BREAK DOWN! TAKE DOWN!

The varsity wrestling team ended its season with nine wins and seven losses. The toughest competition the team came up against this year was Warren Central. Each team that beat F.C. ended up in the top ten in the state. "The greatest obstacle the team had to overcome was consistency," said Coach Kappes.

The team captains this year were Rich Wilsey, Andre Anderson and Jeff Hart. The highlights of the season were CSAC and sectionals. Matt Puckett, Rich Wilsey, Doug Keown and Eric Kelly made it to semi-state. Matt Puckett took fifth place in state. "The team wrestled hard, but their commitment to excellence was lacking and that prevented us from winning three dual meets," replied Coach Kappes.

VARSITY

Franklin Central's girls' track team completed its season with a final record of five wins and four losses. Coach Debbie Richhart stated that the team's toughest competition was Perry Meridian. They placed second in the county and won FC's sectionals. No school records were broken, but ten girls did qualify for sectionals. Qualifiers were Nikki Beckman, Rachel Fallon, Susan McClary, Zanetta Palmer, Jenny Schemenaur, Monica Strong, Reena Wright, LaShauna Veal; the 1600 meter relay team consisting of Justine Beagley, Susan Harrell, Reena Wright and LaShauna Veal; and the 400 Meter relay team consisting of Monica Strong, Zanetta Palmer, LaShauna Veal and Shannon Blackley.

The boys' team finished its season with a final record of eight wins and two losses. Coach Bannon felt their toughest competition was Lawrence North and the conference meet. Lawrence North has been ranked in the top five teams all season. Records broken were in discus by Carl Kendrick, 1600 meter run by Geoff Horen, pole valut by Brad Cougill, 200 meter dash by Herbert Gary and the 1600 meter relay. The above athletes qualified for sectionals along with Gene Austin, Copatric Dartis, Jon Denny, Derek Asay, Andy Krauth, Don Lewis, Eric McGath, Jeremy Miller, Rory Norris, Wayne Reed, Joe Slater, Todd Tholen and Micah Wills. Coach Bannon commented, "The highlight of our season was the fine record (8-2), finishing fourth as a team in the County meet, and placing second in the sectionals."

SWINGING VICTORY

The varsity softball team ended its regular season with a record of thirteen wins and seven losses. This record is the best record since 1984. The team was 5-2 in its conference games, as well. The biggest obstacle the team had to overcome was consistency in their game. North Central and Decatur Central were the toughest competitors. Angie Southwood, Natalie Woods, Shauna Isaacs, Katie Bockelman, and Kelli VanHooser were among the top individual players for the team. Coach Stricker commented that there was tremendous leadership on the part of the seniors.

TOUCHING BASE

VARSITY BASEBALL

The varsity baseball team ended its season with a final record of 20-10. The team was faced with the problem of losing many of its senior players, especially the infielders. The season was highlighted with many things including beating Roncalli for the first time since 1980, going to the semi-finals of the county tournament, and also winning the Mooresville tournament. Coach Rockey felt some of the strongest players were Jeff Kirstein, John Cooper, Andy Romero, Ron Sparks, Mark Campbell, Todd Colip, Pat McLaughlin, and Brian Glesing.

GETTING READY FOR . . . THE BIG LEAGUE!

The reserve baseball team ended its season with a final record of nine wins, eleven losses, and one tie. The tie resulted from the game against Lawrence North. The team had a batting average of .353. Coach Mike Raters commented, "We had to battle through injuries and discipline problems to achieve some consistency, which we never really did accomplish. Our record, while the lowest in the program, is not indicative of how good we are. I'm not disappointed, although there are some games that should definitely be in the "9" column instead of the "11" column."

POTENTIAL FOR THE FUTURE

FRESHMEN BASEBALL

The freshmen baseball team ended its season with a final record of eight wins and two losses. The team's defensive and overall offensive abilities helped them have a successful team. Coach Chuck Wettrick felt that Whiteland proved to be their toughest competition because of the opponents' mixture of freshmen and sophomores. The team was hindered with the weather, rescheduling of games and lack of enthusiasm in the early part of the season. Scott Joyce, Chris Van Treese, Ben Southwood, and Jeff Earle are among the most positive players.

Hard At Work

The members of the FC faculty have a difficult but essential job. If it were not for their dedication, school would not be as pleasant to attend. The members of the faculty are here to help make learning experiences easier for everyone. Teachers stay before and after school to help students. When students think of school, they think of friends, sports, and homework. They should also think of the faculty because it is they who make sure that this school is kept going in the right direction. Another reason the faculty deserved praise is that they prepare students for life after high school. Students should do their best to help teachers do their best to teach what is needed for the future. Teachers need to know they are appreciated. Tell them.

A Tough Job to Do

The bus drivers, cooks, and custodians deserve recognition for their tough jobs. Throughout the school year we need the bus drivers to get us to and from school safely. The cooks feed us a well-balanced meal for lunch, and the custodians work all night trying to get our school clean. The custodians have to even work different shifts to keep our school a better place for us to learn.

We, the students at Franklin Central, thank them for their cooperation and hard work.

Baccalaureate '88

On May 22, 1988, baccalaureate ceremonies were held. The benediction was given by Scott McEwen. The F.C. Singers and combined choirs performed.

Keith Veal presented the invocation, after which, "I dreamed a dream," by Les Miserables was performed by the combined choirs. Reverend Diane Zehr presented the baccalaureate address, "But I still haven't found what I'm looking for — you too?" The baccalaureate address was followed by the candlelight ceremony and the senior recessional.

Gradulations

Commencement ceremonies were held May 27, 1988. The invocation was given by Keith Veal, class secretary. The salutatorian address, "Your Dreams for Tomorrow," was given by Julie Stillabower. Trent Scherer gave the valedictorian address, "Thoughts on Thoughts." The National Anthem was sung by Mrs. Noot, and the "Alma Mater" was sung by Mr. Ferris. Scott McEwen, treasurer, gave the benediction.

The senior class colors were royal blue and white, and the class flower was the white rose. The senior class motto was, "What we hold of yesterday is only a memory, but tomorrow is an accomplishment that is yet to be made."

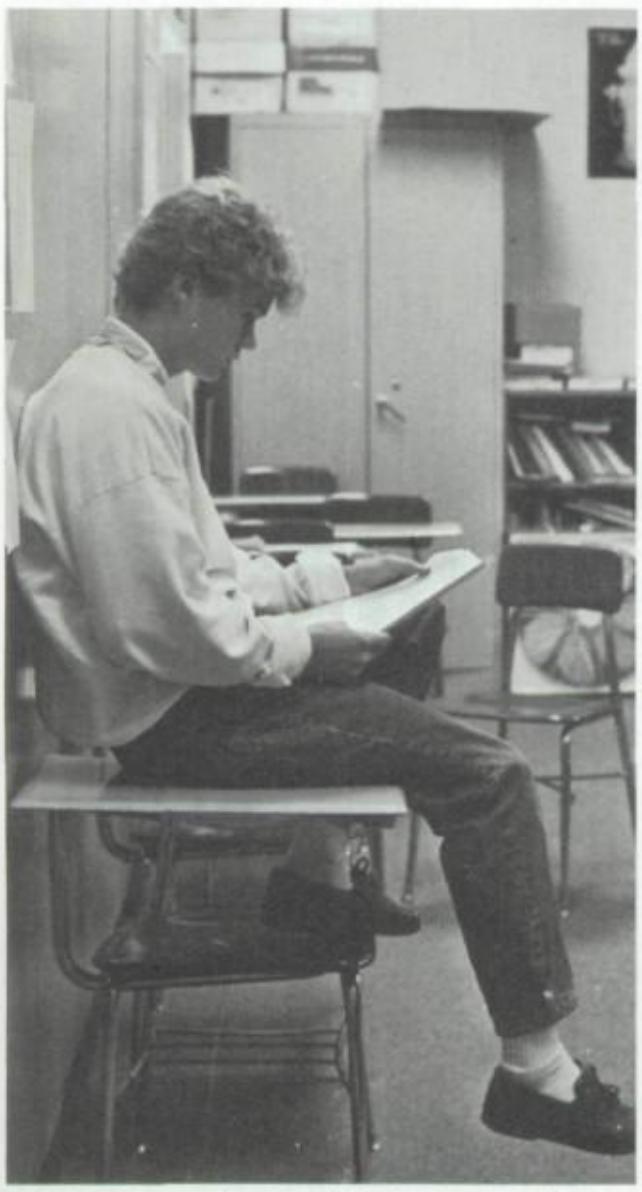
As Others See America

Laurence Martinet *(upper right, on left)* enjoys America, although her first few days away from her home in Germany were difficult. In the future, Laurence intends to become bilingual. Tarjaliisa Niemi *(upper right, on right)* enjoys scuba-diving and slalom during her spare time in Finland. Tarjaliisa chose to come to America because she had heard a lot about it. She is in choir and volleyball. Masako Masukawa *(middle right)* said she has greatly enjoyed her year in America, and will never forget it! Masako enjoys playing the piano, drawing pictures, and talking with her friends back in Japan. Here in America she enjoys playing volleyball. Her friends in America call her by her nickname, "Tooty".



Yorgen Jonsson **(lower left)** enjoys many sports while in Sweden. Yorgen enjoys volleyball, golf, and soccer. Paula Figueroa **(lower right),** from Chile, enjoys collecting stamps, and reading.

ON THE WAY TO THE TOP!

The junior class is a very striking group who gets involved in school activities and participates outside of school in such activities as youth groups, Explorer groups, jobs, etc.

Mrs. Reedy said, "The junior class has many hard-working, friendly students in it. I really enjoy working with them!"

The junior class officers are Ron Garrett, president; Renee Haley, vice-president; Nicole Howlett, secretary; Brent Gambrel, treasurer.

The junior class works together to prepare for their senior year. The juniors are responsible for preparing dances, such as the junior-senior prom and the sweetheart dance.

Intramural Basketball

It is through friendly competition that students can improve on their skills while spending time with their friends. One of the intramural sports is basketball. Teams play against one another until the best two teams play against each other. The winners of this year's tournament were the DOGS. The team consisted of C. Kendrick, D. Beauregard, M. Campbell, T. Colip, E. McGath, B. Peterson, and B. Helm.

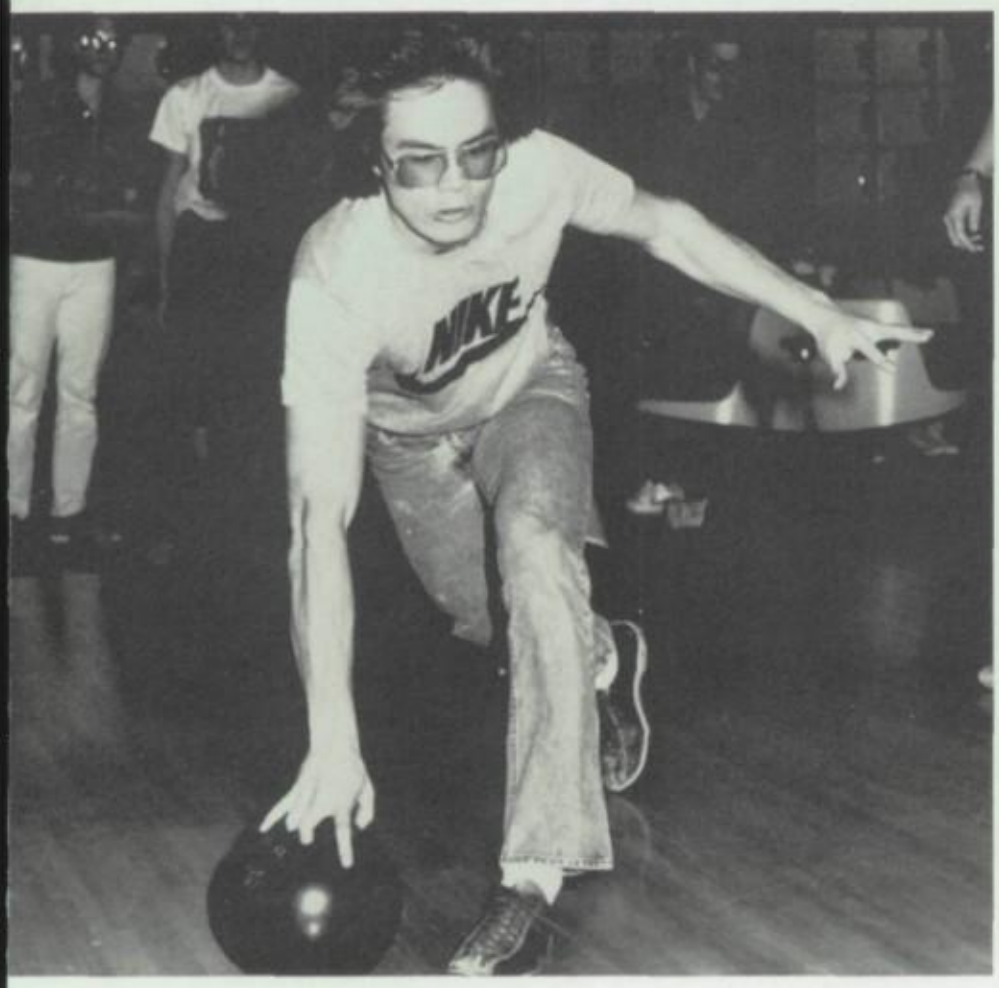
Intramural Bowling



Frank Gonzalez

The second intramural sport offered at Franklin Central High School, bowling, is played at Expo Bowl in Beech Grove. The games are held at specified times and students participating must sign up at school with Mr. Steckle, the director of FC's Intramural Bowling program. No prior experience is necessary so that anyone wishing to go play may do so. Students must organize a team consisting of three students. Team plays team until the best two teams left play each other. Intramural bowling helps students better understand each other.

THE FIRST STEP

In taking their first step in high school, freshmen have varied opinions. Some of the positive opinions are as follows: Julie Wright said, "It's hard coming from on top to being at the bottom again, but I think high school is great!" Chet VanWye says, "Adjusting to being a freshman hasn't really been that hard." "The lunch arrangement is better" is one of the things that Christina Reynolds likes about the high school.

Calvin Taylor feels that being a freshman is like "being an underdog in a boxing match, because you always get hit with all the cheap shots." Micah Wills sums it up well by saying, "Going to high school — put pretty plainly, is fun." Taking the first step in high school can be frightening for some, but for many of the current freshman it has been enjoyable so far.

Striking Effect

Despite all the deadlines and problems in matching faces to pictures, we have attempted to make a striking yearbook. We hope it is up to your expectations.

The purpose for a yearbook is to look back on memories, triumphs, losses, the good and bad, and all activities that are worth remembering.

When asked how she liked being in yearbook her first year, Jennifer Haughs said, "CONFUSING! No, not really; it's a lot of hard work; but, when it's all over, it's worth it. It is nice to know that people appreciate something that you have made and that they'll keep it forever."

Special thanks go to Paige Easley for the cover design and to our photographer, ROOT, and the publisher, Newsfoto.

Collecting The Facts

The newspaper is responsible for writing and publishing the school newspaper, the *Pilot Flashes*. This class helps prepare students who are planning to seek a career in journalism. They learn various topics of designing and creating newspaper layouts, along with computer and writing skills. Their advisor is Ms. Hunteman, who helps lead them into the world of journalism.

The News Bureau is a new group, led by Ms. Hunteman, who reports on school functions for local publications.

WILLIAM H. (HARRY) HOYT
1921-1988
Friend and Benefactor

Harry Hoyt, Franklin Township resident and long time fan of the FC girls' athletics, died April 17, 1988. Hoyt began helping with the girls' athletic programs at FC in 1971. He was interested in volleyball especially; and, over the years, he became proficient in scoring, timing and officiating the game.

Beginning in 1975, Hoyt and his wife Edna began sponsoring a Mental Attitude Award given in both volleyball and girls' baseball. This award is now named the Edna and Harry Hoyt Mental Attitude Award.

Hoyt's presence at the games and his support will be deeply missed.

Hoyt is survived by his wife Edna; sons Bill and Bob; and daughters Patty Hannum, Susan, and Judy.

IT'S NOT A GAME. IT'S MORE.

It's more because it's the challenge. The challenge of individual commitment blended into team spirit. It's the good days. The bad days. And the all-sore days after. It's everything it takes to win a game that isn't a game. Because it's more.

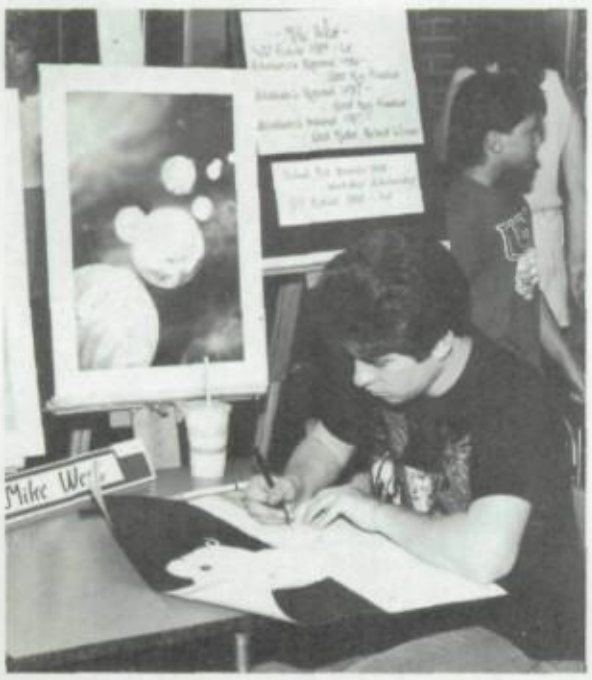
Spring Concert & Art Show

The 1987-88 Performing Arts Spring Concert & Art Show turned out to be a success. The concert consisted of the band, FC Singers, Chamber Singers, choir, drama and the "auxiliary choir," according to Mr. Raymond Hauser.

The purpose of this activity is to show parents and friends what students have been doing all year round and to show off their talents as well.



Upper Right: FC Marching Band leaving a "striking effect" for the finale. **Middle Left:** Melissa Nagle and Mr. John Repass, Dean of Students. **Middle Right:** FC Singers performing to "Surfin USA". **Lower Left:** Mike West displays his work. **Middle:** Spectator looking over art work. **Lower Right:** Masako Masukawa putting the finishing touches on her painting. **Bottom:** M. Cheri,

bde!!

We are finally juniors! Only one more year babe. And lets make them the best!!! You are the best friend anyone could ever have and you've got so much to share with people. Thanks for all the good and bad times. You can finally say we learned (not probably from them, huh?! you spell it) everything we've been through and lets keep that way! Don't you ever forget that I'm here for you no matter what, and I'll always be behind you. Your so pretty inside and out and don't you forget that! And always remember...

"somebody loves U
somebody cares
somebody watches U
somebody stares
somebody admires U
especially your smile
you make that
somebodys life worthwhile.
somebody loves U
and they know
its true
because Im that
somebody
and I love U!"

To a great friend
I really got
to know these
past two years. But
it seems like we have
been friends forever. We
only have one year of school
after this one, so we still have
to make it a good one.
Friends forever
